Here we have a solid, very well made, antique double wardrobe which is very clean and tidy throughout. A prime example of its time - c.1920 Double doors that open to a good size hanging space. The price includes a new brass hanging rail and shelf. The wardrobe stands on attractive bracket feet, giving it an elegant appearance. An internal depth of 21" allows for larger hanger space - coat hangers and large adult hangers. As with most of our large wardrobes, it has been stripped to the bare wood ready for waxing and also dismantles making delivery and access through even the most difficult of doorways and stairways possible.
