

SA467364

Copper kettle from the 19th Century. Dead Cheap

Price

Sold

Item Reference: SA467364

Date of manufacture: 19th Century

Dimensions

Height = 27 cm (10.6")

Width = 28 cm (11.0")

Depth = 19 cm (7.5")

Description

A reassuringly well used 19th Century copper kettle. This has a rather unusual lid with a larger than normal knob on the top and breathers also in the lid. There is a well shaped brass handle. A little earlier than most this example, could even be a Georgian one. Holds water but have not tried boiling with it. Its dead cheap for what it is, can do P & P for about £10 or collect if you prefer.
