Description

Superb set of 3 large original 19th Century English Tea Canisters. Each in its original green paint, numbered 10, 13 and 15 in a gold oval, bordered by delicate floral decoration. Each canister has its original lid and has a small maker's plaque which reads "Parnall & Sons. Manufacturers & Complete Shop Fitters for all Trades. Narrow Wine St. Bristol". They are all in good condition for their age and display very well as a set. There are various dents and dinks and the paint is flaking and fading in places but nothing detrimental or above what would be expected on something like this. There is some repair around the neck of one canister and some corrosion around the bases. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
