Description

Edwardian tub shaped library chair Here we have this stunning library chair. Upholstered in fine leather by our own craftsmen. We strip the chair down to the frame and then upholster in leather before dyed by hand and then the long antiqueing process. Each brass stud is tapped in individually. This chair is of tub shape made circa 1900 with lovely fluted tapered legs to the front with brass castors below. The shaped molded mahogany arms to the front. A truly magnificent example Imagine relaxing in this chair, it will give you much pleasure and be the envy of your friends 95cms high 68cms wide 72cms deep
