Description

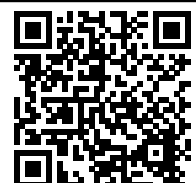

EUGENE WAGNER (1871-1942): a stunning Art Nouveau BRONZE NUDE which retains its wonderful warm original patina. Of impressive size, this is truly a glorious bronze figure which we highly recommend ~ it is so difficult to source such figures these days. The young woman stands naturally with her weight on her right leg in a relaxed pose that is utterly charming. Signed to the integral base and complete with original octagonal grey marble plinth. 18ins 45.75cms) high overall.
