Description

Outstanding Omega gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 471 fully automatic movement, the very first full rotor automatic and also the the first square dial automatic. The dial is quite superb having been fully restored. It has the Omega symbol crown and is fully marked Omega on the dial, movement and case as you would expect. A new glass has been fitted and the case professionally cleaned and polished and it comes with its original box. The square case is of solid 18ct gold and is heavy with the Swiss squirrel hallmark for 14ct and the reference number of 3971, it measures 28mm square excluding the winding crown. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced and is guaranteed to be a genuine Omega in all respects. It has been professionally overhauled, the process is highly detailed and met...
