Description

Antique brass bound campaign trunk Here we have this wonderful brass bound trunk made in teak. Teak was used for its durability, its resistance to insects and sea water. Having flush brass corners that are screwed in showing that they went the extra length when constructing this. The lid lifts to reveal a large storage area The stories this box could tell, of its journeys around the world and escapades while on campaign. A great conversation piece as well as being very versatile in its use around the home. 76cms wide 54cms deep 53cms high
