Description

The madder-red ground colour on this elegant Baluch tribal rug glows beautifully, to the point that photographs don't do it any justice! The intricate field of interlinking symbols are superbly drawn and the main border contains the nectar blossom or 'mina khani' pattern. Quite probably made by the Ali Mirza'i tribe circa 1900, the rug is in excellent condition. Size: 1.73m x 1.00m (5' 8" x 3' 3").
