Description

A Stunning London Longcase in un-restored condition and fresh to the market. George Newman -London. Stunning Colour and patination throughout. The case is Mahogany with a wonderfull piece of flame veneer to the door. And similar to the base. The base decorated with an applied moulding. a couple of pieces missing. Sat on an original plinth. The hood has brass rods inserted in to the pillars. The cresting to the top is decorated with finials. The dial is silvered and again un-touched. Subsidiary dial for seconds with the added feature of centre calender. Original Hands. The original pendulum and weights help to make this a real good clock that possibly could do with restoration. The restoration could if required be carried out in our own workshops at an agreed price. It is in full working order and keeps very good time. Height - 86 inches to include finials width - 18 inches. If you require more information or help please do not hesitate to contact me. This clock is for sale in un-restored condition and you are more than welcome to pay us a visit? Please take a moment to look at our website www.christopher-tombs-antiques.com where we have lots more items...
