Description

Outstanding Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The fully automatic movement is the calibre 332. It has solid 18ct rose gold case, the waffle textured sub seconds dial is in mint condition having just been fully restored. The swept recessed lugs are quite unusual and rare. It has the Omega symbol on the winding crown. The case has been professionally cleaned and serviced and a new glass has been fitted and is in exceptional condition. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new high quality black leather strap and presentation box. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34.5mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced. It has been professionally overhauled, the process is highly detailed and meticulous. It is ...
