Description

This great little Afshar rug was made around 1900 and is in excellent condition. The natural colours are vibrant and the design is unusual although I suspect it represents a stylised palmette. Highlights of stunning green, light-blue and golden-yellow add to the fabulous colour palette. Note the tiny stylised deer or gazelle in the upper-left blue field and as seen in the close-up image. Size: 1.70m x 1.23m (5' 7" x 4' 0").
