Description

This beautiful shirt stand is quite a rarity and we think it is one of our best pieces! We've sourced this 1920s stand, which can hold 3 shirts, as well as a set that can hold five - see this listed under our other items for sale. This unit could be gorgeous and practical in a fashion or vintage store, or could be used to hold books or music sheets! Please bare in mind these stands themselves are adjustable and the stand can be adjusted to a taller height, so measurements will differ based on use.
