Description

Pair of original painted antique French salon armchairs, dating from around the 1890-1910 period. They are in good original condition & the painting is well but naturally distressed, giving off many different shades. The paintwork is predominately a pastel green, both light & dark sections. These chairs have also just been re-upholstered in a cream fabric. You can see the wood showing through in various places & a bit of cream undercoat. They are definitely distressed, so please check out all of the images. There's lots of fine carving & reeding all over the frames. Width - 23.5", 60 cm Depth - 24", 61 cm Height - 39", 99 cm Seat Height - 17.5", 45 cm
