Description

This early 20thC brass lamp has a heavy cast iron weight in the base which we have covered in felt to protect furniture. It is in lovely condition with no sign of damage anywhere. The lamp measures 28cm in total up to the top of the lamp holder and the base is approximately 16cm in diameter. We have had it rewired to UK specifications. The price includes postage and packing within the UK mainland only, and for delivery to other areas or abroad, please contact us for a quote.
