Description

This super quality FITTED LEATHER SUITCASE, made by BRADSHAW'S of SOHO, dates from circa 1910. The leather is a rich deep purple claret colour and the CASE is lined with silk moire in a complementary shade. It retains its original MATCH STRIKER/VESTA and INK BOTTLE. The initials 'UH' are impressed in gilt on the outside. There are some minor scuffs to the leather, as would be expected. There are no tears and the stitching is original and in good condition.
