Description

A lovely old large double wardrobe dating from 1880 in beautiful condition. It has a regal feel to it, with its wavy edged crown top. Recently stripped to the bare wood, it is now ready for wax polishing. Currently inside the wardrobe there is hanging space and a partitioned shelving space for folded clothing. If you would like us to remove the shelving, and fit a hanging rail the entire width of the wardrobe, then please let us know. As with most of our larger wardrobes, this particular one does dismantle for delivery. A great feature when you have difficult access or a tricky stairway! Height 79", width 67", depth 23", internal depth 20"

Internal Ref: P4000E
