## Description

A well proportioned mahogany French Empire lamp/wine table of an attractive circular form. Raised on elegant column legs with embossed brass decoration, this table stands well on a triform base which terminates in neatly turned feet. The richly coloured deep green marble top sits well with the colour and patina of the mahogany. The table is sturdy and stands well. The general condition of the table is good, there is a minor ripple in the veneer on the frieze but this does not detract from the appearance and this can be seen in the photographs. This is a very decorative and useful table that would be a useful addition to any room. c.1860 Height: 23.75" (60.5cm) Diameter: 15.5" (39cm)
