Description

Top quality mid 19th century Victorian heavy cast iron and brass stick stand. This is a really good quality example and not one of those very light blow away examples you see. The base is cast iron with a lift out original tray. The brass finials to the top are a great shape. The stand is in "as found" condition with the peeling white paint to the base. The base could be stripped off or re-painted. SIZE; 19" wide by 9" deep by 23 1/2" high overall CIRCA; 1850 - 1860
