Description

Superb early to mid 19th century small bobbin winder of a lovely design with great original patination. Primarily made from boxwood with stained sycamore parts and bone handle and cogs. This really is a gorgeous bit of treen, the colour and patination are superb. There is some wear as it has obviously been used a lot but there is no actual serious damage, one or two minor nicks is all. SIZE; 7" long by 6" wide by 7" high CIRCA; 1820 - 1840
