Description

A clean and tidy antique pine linen cupboard dating from 1920. It has recently been stripped to the bare wood so is now ready for waxing or painting. These cupboards are also known as "Vertigo's" and make very useful storage cupboards in lots of rooms in your home including the hall, boot room/utility, landing, bathroom and in a child's play room to store toys. Often customers use these cupboards in their bathrooms storing away unsightly things such as toilet rolls and towels, then they use the top drawer for medicines to keep out of reach. The cupboard has double doors that open to three adjustable shelves - they can be placed at your required height, due to the adjustable bearers. Price as it is seen here, in the bare wood £420 Price including our professional wax polishing service £467 If you would like us to paint it for you then please contact us for a quote.
