Description

Without doubt, pink guilloche enamel is the number one desired colour, hard to come by and always at a premium. A hefty piece of English crystal has been used to create this pretty bottle, hand-cut in a pretty design with a star-cut to the underside. The collar and hinged lid is made from English sterling silver, fully hallmarked for Birmingham 1929. The makers mark is also present for the silversmith, David Moss and Co. One the hinged lid is opened, the cut crystal stopper is revealed to keep the precious contents safe once in use. Excellent condition, measuring 3 1/2" in diameter x 4 1/2" tall.
