Description

This really is a wonderful cocktail cabinet, the shape is superb and reminds of the old 1930s radiogram cabinets. Two contrasting walnut veneers, English and Australian. Typically of these cabinets the top opens up to reveal a mirrored interior, generously sized. Below in the bottom part are two shelves for storing bottled drinks. The sides also open up to reveal two further shelves either side for storing glasses. This isn't a great rambling piece of furniture yet it packs an awful lot. We've had the whole piece professionally restored and so is in excellent condition and is just waiting to be filled with those glasses and bottles! All doors open smoothly. UK Delivery £55, else where please email. Height: 38 ins / 97 cms. Width: 34 ins / 87 cms. Depth: 17 ins / 43 cms
