Description

Quirky Tall School Sorts Cupboard, Storage Locker This 4 Compartment pine locker has 4 storage compartments, each door has ventilation holes and is labeled with the intended contents. The cupboard may have originated from an army barracks as it has G.R.V stamped on the side The cupboard doors have locks and we have a key but they need some attention as they don't work very well, the cupboard doors are numbered so this may be just one section of much bigger piece, it is impossible to know when the cupboard was labeled but the lettering is old and a bit worn The cupboard is in sound used condition, it is 69" tall, 16" wide and 15" deep, the internal size of each is 15"high 11" deep and 14" wide TRB259 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
