Description

Edwardian oak revolving desk chair Here we have this solid oak desk chair with a leather brass studded back pad. The chair seat and back revolve on the 4 cabriole leg base with pad feet and cross stretchers. These chairs are superb in the home or office environment. Each leg is co-joined by a cross -stretcher that makes the chair very strong and durable for everyday use. The back toprail is of a shaped outline and then with the lovely feature of a fine scroll turning to each shoulder. Imagine working sitting in this chair, and the ease it is to move away from the chair due to the revolving feature. You will be the envy of family, friends and work colleagues as you relax and work in this Edwardian desk chair. The chair was made circa 1910 104cms high 55cms wide 52cms deep seat depth 46
