Description

This Swedish antique fluted back leather sofa has the most amazing original coloured leather. It's naturally distressed & consequently the leather has many different shades of green & brown showing. Please enlarge all the images & have a look at the matching pair of tub armchairs also on this site. I would date this sofa to around the 1910 period. It's very comfortable & is fully sprung. The back is fluted & it sits on strong tapered get. I wish we could reproduce the colour of the leather, but it's impossible. Length - 56.7", 144 cm Depth - 30.3", 77 cm Height - 29.5", 75 cm Seat Height - 16.5", 42 cm
