Description

A good quality Grande Sonnerie Viennese Regulator, circa 1870. The beautifully crafted solid walnut case with moulded pediment and shaped mouldings flanking the glazed door. The two piece enamelled dial with Roman numerals and polished brass bezel. The fully restored eight day duration movement with Grande Sonnerie strike on two blued steel rod gongs, having beautiful tone and sound. The movement having deadbeat escapement, maintaining power and strike silent facility. Fretted blued steel hands. Polished brass cased weights, with engraved brass pulleys. Polished brass bob pendulum with wooden rod. A fine clock in good original condition with the movement fully restored. All of our clocks have been sympathetically restored and have been expertly vetted for originality and good working order. All clocks purchased from us are guaranteed for two years. All of our clock movements are restored by our horologist who works exclusively for us. Our horologist is a Fellow of the British Horological Institute (FBHI), having 35 years of full time professional engagement in the repair & restoration of clocks, watches, music boxes & barometers. He was the recipient of the 1977 Worshipfu...
