Description

This corner chair is in good tidy condition, upholstery is used but again in tidy condition and if the colour suits will last a few years yet. If not we can get the reupholstery done for you. Will be about £50 plus vat plus your fabric of choice. It is a pretty chair from the Edwardian period with a nicely turned leg and the cross stretchers in the base for good stability. The back has the fretted splats and an inlay in the top rail. At this price it will not disappoint.
