Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 342 automatic bumper movement and the serial number dates this accurately. An Omega "bumper" is a vintage Omega that has a "bumper" automatic movement rather than a full rotation rotor automatic. The oscillating weight makes a partial rotation before "bumping" into a cushioning spring. The sub seconds dial is completely original, it has not been retouched or restored and is in remarkable condition. This is a first edition Seamaster and has the reference number of 2576-14. It also the Omega symbol on the crown with the flat footed symbol only found on the first edition Seamaster, the buckle is also original. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. It comes with its original box which is in...
