Description

A 1930s Art Deco Trojan pocket watch. The watch has a good quality signed 15-jewel adjusted Swiss stem-winding movement which is working nicely. The movement is stamped 'safety barrel', a safety barrel prevents damage to the movement in the advent of the mainspring breaking. The watch itself measures 48mm diameter excluding the winding stem and the loop. The beautifully patterned case was made by the Illinois Watch Case Company and it is in very nice condition. The Art Deco design to the screw-on case back is particularly charming. The watch glass is in good condition. The signed white enamel dial is in beautiful condition. The watch will be sent in a new presentation box. Free worldwide shipping
