Description

Very practicable antique walnut duet piano stool with loads of storage inside beneath the upholstered seat. It's figured walnut all the way around beneath the seat, including on the back & sits on a carved solid walnut frame & legs which have well defined paw feet. Please enlarge all the images to see the beautiful figuring & grain of the wood. The seat has been re-upholstered in a cream fabric, with double piping. There are catches inside that hold the seat up when open & the inside is also nicely polished. I would date this stool to around the 1910-20's period & it's in excellent condition. Length - 32", 81 cm Depth - 15", 38 cm Height - 21.7", 55 cm
