Description

Absolutely gorgeous late 19th century scent bottle with a very unusual glass body formed from twisted lemon yellow, white and clear glass canes spiralled and layered into ribs to firm the shape. Pretty embossed silver collar and hinged lid, unmarked but tested as silver. It retains its original internal glass stopper. It measures 3 3/4" long, 1 7/8" wide and 7/8" deep. Condition is excellent with no damage and light surface wear.
