Description

A 1930s pocket watch, chain and football albert. The watch has a good quality 15-jewel (four adjustments) stem-winding movement which is working nicely. The movement is protected by an inner hinged cover... the inner cover has scratches and marking. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is nickel. It has a little gentle unevenness to the back, and some surface marking from use. The acrylic lens is in good condition. The white enamel dial is in good condition and has blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single albert which measures 30cm long including the T-bar and the clasp. There is also a shorter chain upon which hangs a fob from Ealing & District Youth Football League. The watch and chain will be sent in a new presentation box. Free worldwide shipping
