Description

A delightful Georgian blanket box/chest with interior candle box and brass escutcheon standing on bracket feet. Superb colour and Patina. The condition of this box is good with a very clean interior. There is a minor historic blemish to the front lower side, but this merely adds to the character of this rustic, country piece. A charming oak box of good neat proportions, perfect to use as a small coffee table or for extra storage in the home. c.1800
