Description

A very attractive antique pine double wardrobe. A good size, old piece of furniture, dating from 1860. It is in lovely condition for its age. The double doors have these rather interesting and pretty panels, that make this a unique and elegant wardrobe. It has recently been professionally wax polished to a high standard, so is all ready for delivery or collection. As with most of our large wardrobes, this particular one totally dismantles. This makes delivery and access, even through the most difficult of doorways and stairways, possible. A new brass hanging rail and shelf is included in the price. Height 82", width 69", depth 24.5", internal depth 21"
