Description

A charming antique pine grain bin with a flat top that is slightly larger in height and width than your average storage chest, so therefore could make a unusual window seat or shoe store and bench. It dates from the 1900's and is in very nice condition for its age. There are carrying handles to the sides and a nice brass handle to the lid. Inside is the original divider. There is a large amount of storage space to accommodate blankets, toys, shoes etc... It has recently been wax polished to a very high standard. Height 27", width 38", depth 26"

Internal Ref: p7705b
