Description

Very stylish and wonderfully figured walnut chest of drawers. The veneers are the real selling point to this piece, along with being very functional. Two large and generously sized drawers to the base with two smaller single drawers to the top. The whole piece sits in a stepped ebonised plinth. Original brass keyhole escutcheons and drop handles. The drawers glide smoothly and effortlessly as when first made. We've had the whole chest completely restored and so comes to you in excellent condition with no flaws to mention.
