Description

This pair of antique mahogany bedside cabinets were very well designed & are extremely practicable. They would also be most suitable as small bookcases. The tops have reeded edges, with an open cavities below. There's single drawers & another larger open section below. They are very elegant & sit on splayed legs. These cabinets are in great condition & I would date them to around the 1910-20's period. Width – 16.5?, 42 cm Depth – 10.6?, 27cm Height – 30?, 76 cm
