Description

A good size antique pine kitchen cupboard, with two drawers. Dating from 1920, in good condition for its age. The two small drawers both have their original wooden knobs, the cupboard has two doors set on external hinges allowing them to open fully - A great feature when accessing the cupboard! There is a single shelf inside the cupboard. This particular piece of furniture is shown here in its rustic, raw condition. It was waxed quite some time ago now and can be bought in this earthy, unrefined state for a reduced price. It would look fantastic in a farmhouse kitchen, used as a sideboard or server. Alternatively it would make an excellent storage cupboard in most rooms, including a sitting room or snug (as a TV stand). Price as it here, in its rustic state - £180 Price including our professional stripping and waxing service - £247 Height 31", width 43", depth 21.5"
