Description

Late C19th Chinese Qing Dynasty carved hardwood 'kang' table of practical proportions. Useful scale square carved 'huali' hardwood free-standing centre table of low height. Well-figured rich coloured timber with a dark patination. The 2-piece 'floating' panel top with cleated edges, with minor shrinkage gap to centre and historic marks and stains commensurate with age, use and construction. The shaped friezes each carved with 'key' pattern and archaic-type vessels and vases, the plain square section legs with carved corner brackets. Decorative Chinese table to provide a coffee/magazine table option for a period room setting. H 19" W 30" D 30" China c.1900

Internal Ref: ML 1706
