Description

Antique Colonial hardwood merchants chest Here we have this lovely Merchants chest. This chest that is full of character would have been used by merchants to transport their precious goods up and down the trading routes in the East in the early part of the 19thc. Imagine the stories this box could tell during its travels in those days. This chest still has its original iron lock plate and blacksmith made hasps and hinges. The lid lifts to reveal the storage in the inside. These make wonderful and interesting coffee tables that make wonderful conversation pieces. 103cms long 72cms deep 45cms high
