Description

Antique teak Colonial chest Here we have this lovely and very useful chest. This chest would have been used by a wealthy merchant to transport valuables in the early 19thc. Having iron corners that were applied for protection as it was carried around the Eastern trade routes. This would make a great coffee table as well as could be used in many situations around the home. Imagine the stories this could tell. 100cms wide 62cms deep 48cms high
