Description

A Quality antique leather upholstered tub armchair. This leather upholstered tub armchair dating to circa 1920's has a rounded back with shaped arms and brass nailed studding. The leather chair being tub shaped is always a rarer and harder to find chair. Having a generous feather cushioned squab giving extra comfort when seated. Raised on turned bun feet with the brass castors this antique leather chair has been reupholstered in the traditional manner with hand dyed leather and is not only a very handsome chair but also a very comfortable one as well having a tub shaped back. We specialize in leather upholstery and have sold many leather chairs to interior designers, trade and private clients from all over the world.
