Description

A lovely clean and tidy antique pine double wardrobe that dates from 1910 in very nice condition throughout. An attractive wardrobe that is slightly on the smaller than average size but also very solid and robust. There is a good size drawer at the bottom and the doors original beautiful external hinges allow them to open fully. A great feature about this wardrobe, as with many of our wardrobes, is that it is totally dismantles. This means it will go through any difficult doorway and stairway. Currently there are the original wooden pegs inside the wardrobe, we can remove these and fit a new brass hanging rail if you wish. It has recently been stripped to the bare wood so is now ready for wax polishing. Height 71.5", width 52", depth 21.5", internal depth 18"

Internal Ref: R2008D
