Description

A charming little antique pine bedside cupboard dating from 1910 in lovely condition, and currently in the bare wood. It has two small drawers above a double door cupboard with a single shelf. The drawers have the dainty little original wooden knobs and the cupboard's lock and key are in good working order. These small cupboards, originally intended for a bedroom, also work well in small alcoves or beside a chimney breast to stand your TV on with accessories stored away below. They also work well in bathrooms or hallways - a very useful small storage cupboard. If you would like this piece painted, please contact us for a quote. Height 30", width 31", depth 18"
