Description

Wonderful Longines solid 9ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The watch has fully automatic calibre 291 24 jewel movement. The professionally fully restored dial with date facility is in unmarked condition. It has gilt hands and numbers. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. The case is hallmarked. It comes complete with a new premium quality chestnut brown leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 35mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by collectors indeed it looks as if it was rarely worn. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are rep...
