Description

A very useful, tall, thin, antique pine storage cupboard which could also be used as a child's wardrobe. It is in very nice condition having recently been stripped to the bare wood. It dates from 1920 and has a single door which is mounted on the attractive original external hinges. This allows the door to open fully - a very useful feature when accessing the cupboard! Currently the inside is empty - please let me know if you would like me to fit shelves or a new brass hanging rail. Price includes our professional wax polishing service. If you would like us to paint it for you, then please contact us for a quote. Height 63.5", width 31.5", depth 18" internal depth 15"
