Description

Antique Chinoiserie standard lamp, dating from around the 1910-20's period & in good original condition, with very vivid colours. Contrary to common beliefs, these chinoiserie items are English & not Chinese. We pulled the old wires out, because they weren't safe, but re-wiring is very easy & we could arrange that for about £30. There is also a matching coffee table on the site, which came out of the same residence. Height - 24", 62 cm Width at Base - 34", 13.5 cm
