Description

Pair of very comfortable antique Swedish leather armchairs in good condition throughout & with a lovely warm colour to the leather. They have generous proportions & are structurally sound. The curved backs are deep buttoned inside & they are also buttoned along the front edges. Like all these antique armchairs the seats are fully sprung with hand coiled springs, so will last a lifetime. The square tapered legs give these armchairs a touch of elegance. I would date them to around the 1910 period. Width – 32?, 81 cm Depth – 31?, 78 cm Height – 32.5?, 83 cm Seat height – 17.5?, 44 cm
