Description

A quality serpentine shaped Kingwood two door side cabinet with marble top. The shaped white marble top having a cavetto moulded edge over two shaped quarter veneered kingwood doors with decorative ormolu moulding and escutcheon plate handles. The doors open to reveal a very practical shelved storage compartment. The shaped sides again with decorative ormolu mould have a bookmatched Kingwood veneer with the whole being raised on slender tapering splay legs with the fronts terminating with brass sabots. This quality antique side cabinet dating to the 1920's has a beautiful colour having been fully restored using traditional methods with a good white marble with grey veining in stunning condition. A very practical side cabinet of good proportions that can go in most rooms of the house. Dimensions: Width: 39 inches - 99cm Height: 34 3/4 inches - 88cm Depth: 22 1/2 inches - 57cm
