Description

Rare French Whale Oil Trade Shop Sign This is a rare old sign, it is French in origin, there is no longer a trade in Whale oil but only a few decades ago shops like these were fairly common on the Mediterranean coast. The sign is composed with a painted metal Whale (complete with smile) which hangs from a wrought iron bracket The sign can be wall hung on the bracket, still sound and in good condition with a few chips to the paint, a very unusual a rare piece and well worth adding to any collection or it would be authentic shop decoration The sign is 30" high and 48" across and about 5" from side to side TFN54 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
